Creating a Culture of Employee Engagement

Speaker: Liz Warren, VP of HR, Employer Services Corporation. It's no secret that employees who are highly engaged in their work produce superior results for their employers. The challenging part is finding these employees and creating the type of work environment where they will thrive. Drawing from her 13 years in the HR department at Wegmans and 15 years as ESC Vice President and Consultant, Liz will share the secrets of finding the right employees and developing a culture of high employee engagement; as well as demonstrate how this type of culture leads to higher productivity and ultimately greater profitability.
